### March/April Memory Verse

Hebrews 4:16

*"Let us then approach the throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need".*

How comforting is it to know, the certainty that comes with confidence, that we can find what we need? What we all need is mercy and grace. Here we find mercy in the forgiveness that we need when we fall into temptations, and grace that strengthens our hearts that we may stand in the temptations to come. Have certainty as a child of God, that you will receive what you need, in your time of need. God is good.
