So what do we do?

Vitberry is a company that specializes in the production and sale of freeze-dried fruits.

Freeze-dried fruit is fruit that has been frozen after picking and then the moisture is removed under pressure in a special chamber. This process allows to preserve up to 97% of vitamins and minerals, as well as the flavor and aroma of fresh fruit. The shelf life of the fruit increases up to 2 years.

Our mission is to make healthy snacking popular.

Our vision is to associate snacks with our products.

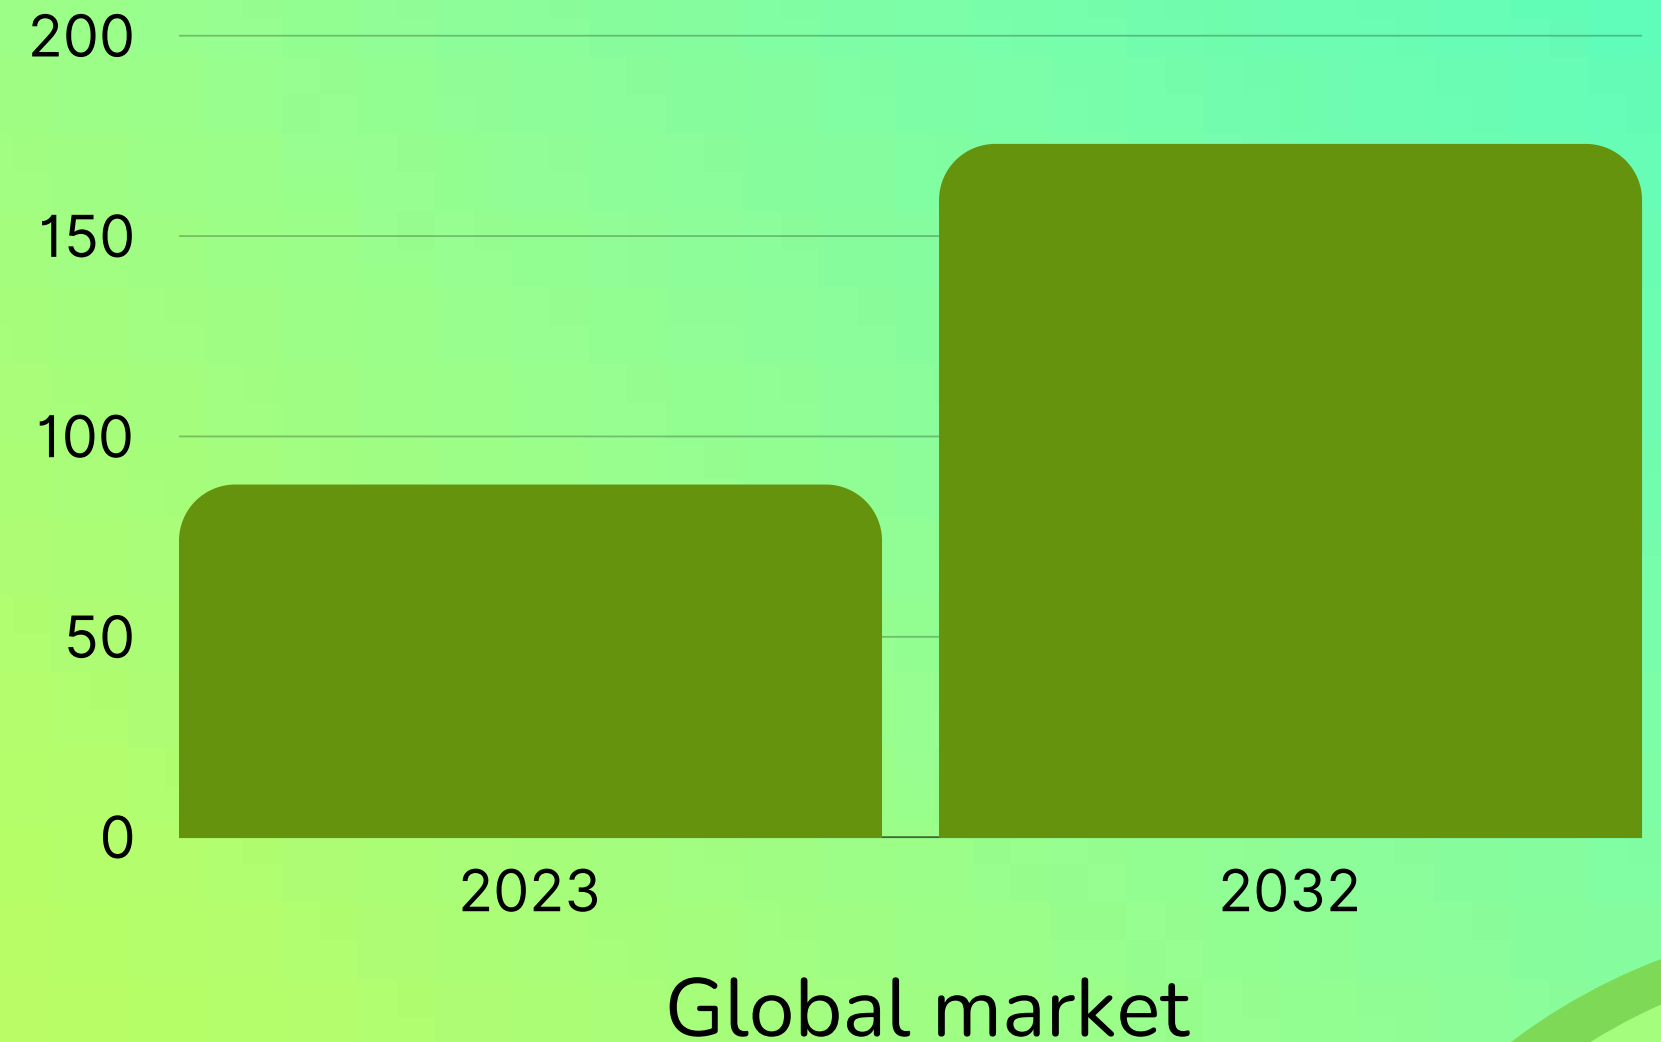

Head office: Kiev, Ukraine.
