HANDS ON EDUCATION

tailored

MAKEUP UPSKILLING

A woman in a dark top is applying makeup to a model's face. The background is a soft-focus studio setting with other people. The text is overlaid on the right side of the image.

tailored MAKEUP UPSKILLING

Makeup-mirroring upskilling designed to teach Makeup Artists from beginner level to competent expert. With a model provided, tailor your education to the look/s you want to learn and master through a watch and apply mirroring technique where Chloé Ellouise will complete one side of the models face, and you mirror the other side of the models face through a step by step approach. Product provided for duration of lesson.
