**The Silver Bucket for April is Red Bird Mission**

Red Bird Mission and Clinic have been providing ministries in this region of the Appalachian Mountains since 1921. Today the need remains critical in this isolated, rural distressed area. Chronic poverty, lack of jobs, poor housing and rugged mountainous terrain provide obstacles to a fuller life for the residents of this area. Red Bird Mission strives to meet these needs through ministry in these five areas:

**Education, Health and Wellness, Community Outreach, Economic Opportunity and Community Housing Improvement.**
