Acolyte Schedule Notes:

An Acolyte at Good Shepherd is a 7-8 Grade Student who volunteers their time to serve the church during worship services, according to the schedule. The Acolyte will typically light and extinguish candles, but sometimes there are extra duties.

Candle-lighting procedure:

- Walk to middle, face the altar, bow
- Walk to LEFT candle, light it
- Walk to RIGHT candle, light it
- Return to middle, facing the altar, bow
- Return to your seat, extinguishing the candle-lighter on the way

Candle-extinguishing:

- Walk to middle, face the altar, bow
- Walk to RIGHT candle, extinguish
- Walk to LEFT candle, extinguish
- Return to middle, facing the altar, bow
- Return to sacristy and put the candle-lighter back on the wall hooks

On the front side of this sheet is the schedule. All Worship services have an Acolyte assigned to it. Sundays are in normal type. Special, non-Sunday services are in **bold** type.

The expectation is that the assigned Acolyte will be on-site 15-20 minutes prior to the beginning of worship. That gives time for them to put on their robe, the cincture (rope-belt) and receive any last minute instructions for the day.

Please take the “exchange with someone else” request seriously. If you cannot be there, call someone else to take your place, AND call the church office ASAP so that we know who to look for...and so that the bulletin can be printed accurately.

Special Occasions:

These worship services include more than (or more than usual) candle-lighting from the Acolyte:

Baptisms (various times)

- When there is a Baptism, the Christ Candle will be lit AFTER the 2 altar candles

Advent (Midweek & Sundays)

- Light candle(s) on Advent Wreath

Christmas Eve & Christmas Day

- Light the center candle on Advent Wreath

Palm Sunday

- Carry the processional Cross from the Fellowship Hall to the Chancel (front of church)

Good Friday

- Extinguish a series of candles during the service
