

Discussion Tract 2:

- Who is someone in your life that you can be real with and why?
- Why is it so hard to be transparent about faith struggles at times?
- What kind of faith struggles we ought to share with someone?
- Read *Galatians 6:1*
 - What do you think he means by “you who are spiritual”?
 - What do you think he means by “restore”?
 - Why do you think he emphasizes “with gentleness”?
- Read *Proverbs 27:6*
 - How can a friend be faithful in wounding us?
- How do you feel about being confronted or restored or wounded by a friend for your own good? How do or would you receive it?
- Do you have someone who calls you out when you are drifting?
- Do you call others out when they drift?
- How does this help us to know God?
