Circulation Dental Announces Acquisition of Key Dental Education Domain

Strategic Expansion to Enhance Online Resources for Dental Professionals

Laguna Beach, CA (May 27th, 2024) – [Circulation Dental](#), a leading digital marketing agency specializing in services for dental practices, is pleased to announce the acquisition of a significant domain in the dental education sector: [engineeringsmiles.org](#). This acquisition underscores the company's commitment to enhancing its online resources and providing valuable information to dental professionals.

Steve Lepore, founder of Circulation Dental, expressed his excitement about the acquisition, stating, "Acquiring [engineeringsmiles.org](#) represents a strategic step forward in our mission to provide comprehensive educational resources to the dental community. This domain will allow us to broaden our reach and offer even more valuable content to help dental professionals stay informed and succeed in their practices."

This acquisition is part of Circulation Dental's broader strategy to support the dental community by offering extensive resources and insights. By integrating [engineeringsmiles.org](#) into their existing digital ecosystem, Circulation Dental aims to provide detailed information on various aspects of dental care and marketing, helping to educate and empower dental professionals.
