EASY GRILL

EASY GRILL

EASY GRILL – is a balanced bouquet of spices and herbs that provide a unique taste and complete penetration into fiber of meat and fish that ensures the juiciness of the grass. This is not just a marinade, but a patented innovation meat marinade.

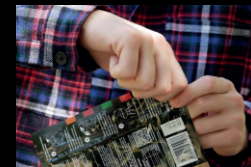

Fast, convenient and delicious!

We made the cooking process especially easy thanks to our unique zip packaging. A balanced bouquet of functional ingredients will provide a unique taste of the finished product.

1 Take any marinade Easy Grill.

2 Open the package and put it down the recommended amount of meat, bran meat or fish.

3 Close the package and leave no less than one hour for perfect pickling.

Get the meat and get started cook.

At home, surprise your family and close to new tastes.

Less time to marinate - more time to rest.

The KR Ingredients team carries out the full development cycle products on the basis of own innovation and production complex, which consists of an innovation laboratory, experimental and production shops.

Combining knowledge of world trends, own technological the know-how and focus on consumer taste we create in partnerships with our customers are unique and effective decision.
