GALA FOODS LLC  
IS A YOUNG AND AMBITIOUS TEAM  
OF PROFESSIONALS  
WITH PROGRESSIVE IDEAS

**ABOUT THE COMPANY, OUR MISSION AND CORE COMPETENCIES.**

GALA FOODS IS A NATIONAL PRODUCER OF A RANGE OF PACKAGED RICE, VARIOUS TYPES OF CEREALS, AS WELL AS OTHER HIGH-QUALITY AND HEALTHY GROCERY PRODUCTS FROM REGIONS AROUND THE WORLD.

**MISSION:** «OUR COMPANY IS CREATING NEW STANDARDS FOR CONSUMPTION OF NATURAL FOODS, RICE AND VARIOUS CEREALS, WE PROVIDE OUR PRODUCTS FOR CONSUMERS TO HELP THEM FORM THEIR OWN BALANCED DIET AND CHERISH HEALTHY EATING HABITS AND INCLUDE PRODUCTS OF HIGH QUALITY FROM OUR NATIONAL AND WORLD PRODUCERS».

- ✓ A STRONG RAW MATERIAL BASE, 20 YEARS OF EXPERIENCE IN THE IMPORT OF RICE AND OTHER CROPS ALLOWS US TO ENSURE A CONTINUOUS PRODUCTION CYCLE, AS WELL AS TO FULLY MEET THE NEEDS OF OUR CUSTOMERS.
- ✓ THE COMPANY'S PRODUCTS ARE MANUFACTURED UNDER THE ESTABLISHED TRADEMARKS «PERE», «ART FOODS», «SUCH AFFAIRS» AND ARE PRESENTED IN DIFFERENT PRICE SEGMENTS FOR DIFFERENT CATEGORIES OF CONSUMERS.
- ✓ GALA FOODS HAS EXPERTISE IN THE PRODUCTION OF ITS OWN PRIVATE LABEL BRANDS FOR LEADING NATIONAL RETAILERS AND EUROPEAN COMPANIES.

Gala Foods's production plant is equipped with packing lines which allow to pack goods in various forms, like briquettes from 500 g to 1000 g, a plastic pillow bag from 500 g to 5000 g, portion sachets weighing from 75 g to 125 g or even PET cans with the mass varying from 300 g to 1000 g.

Adjustment and control over packaging parameters are carried out by a team of professional controllers as well as additionally checked by an independent quality control service.

The company has implemented the HACCP system that provides control of all production stages, starting with input control for the delivery of products and ending with our final consumer. This system operates on the principle of «from field to table».

«Gala Foods» is a member of the Consortium of Quality of Retail Networks, which unites leading retail chains in Ukraine. The consortium carries out regular and thorough inspections of all production processes under the generally accepted international methodology ISO 22000 «Food Safety Management System» and the consolidated requirements of the consortium members.
