(ENTER YOUR OWN HYPE MESSAGE) For example: Who's ready to get behind Gareth and the Boys

So, what's going on today, I hear you ask; well...

- At 4pm we have DJ Kezz on the decks
- 5pm we have BAD TACTICS which includes a great selection of guests battling it out, but who will have the worst opinion? I cannot wait for that!
- At 6pm we'll be joined by the one and only Jermaine Jenas, who has played 14 games for England, 76 games for the mighty Reds, as well as spells at Newcastle and Spurs.
- And at 7pm, we are starting the main event. Make sure to get your drinks ready for a main pre-show event before the lads kick-off at 8pm!

Remember, you can catch FANPARK across not one, but FOUR unique locations across the Midlands' this Summer!

COME ON ENGLAND!!!
