## Patient Code of Conduct

Wilson Dental supports the government's "Zero Tolerance" campaign for Health Service Staff. It states that Providers and their staff have a right to care for others without fear of being attacked, abused, or bullied. To be successful in providing these services, a mutual respect between all staff and patients' needs to be in place. Our hardworking staff do their very best to be polite, helpful and sensitive to patients' individual needs. We would respectfully like to remind patients to mind their manners. The staff understands that patient who are in pain do not always act in a reasonable manner and will take this into consideration when trying to deal with a misunderstanding or complaint from a patient.

Wilson Dental takes it very seriously if a member of our staff is treated in an abusive or violent way. Unfortunately, violence towards healthcare workers is all too common in today's society. It all starts with nasty rhetoric and can quickly escalate. Aggressive behavior, be it violent or abusive will not be tolerated and may result in you being discharged from Wilson Dental.

In order for Wilson Dental to maintain good relations with our patients, we would like to ask all patients to read and take note of types of behaviors that we find unacceptable:

- Causing damage to or stealing from Wilson Dental, our staff, or our patients.
- Any physical violence toward any member of the Wilson Dental team or other patients, such as pushing or shoving.
- Using bad language or swearing at office staff
- Racial abuse and sexual harassment will not be tolerated within Wilson Dental.
- Persistent or unrealistic demands that cause stress to staff will not be accepted. Requests will be met wherever possible and explanations will be given to the best of our ability.

Dismissal from Wilson Dental:

It is not unethical for a provider to dismiss a patient for disrespectful or rude behavior which is disruptive to the office. Patients are expected to follow a code of conduct. Disrespectful words or actions are not welcome in a professional practice. The provider has the right to dismiss a patient from Wilson Dental when this type of behavior occurs.
