## Of Special Note:

Our website, <http://www.fcclr.live>, is getting a fresh new look (revamped) this week! It may take a few days to get set up and updated. We're excited about the new look and capabilities.

Glance in the Parlor next Sunday. The old big green bookcase is gone and we have new paint and a credenza in there with a larger television for training, etc. use. (We traded with the television that was in the nursery). We have not purchased anything. The credenza and paint was donated by a member. In fact, several things are being donated. A pretty patio set is being donated by a member. We need a few more items donated to update and make our church more usable for current programs, and you'll have an opportunity to give something towards that during Advent.
