

Dear Families,

GraceKids Child Development Center is now registering for the **2025-2026** school year. GraceKids offers year-round, full-time childcare for infants through preschool aged children. We also offer an after-school program that follows the Vestavia City Schools calendar. Except for infants, enrollment is based upon your child's age or grade on September 1, 2025. GraceKids may, in consultation with teachers and parents, change your child's class assignment during theyear to best fit each child's developmental needs.

Fulltime childcare is offered for **Preschool** aged children (ages 6 weeks through 5 years). Our center is open for preschool childcare Monday- Friday, year-round, excluding the closures for holidays and staff development. Our curriculum is faith-based, child-focused, and designed to promote each child's social, emotional, spiritual, intellectual, and physical development in a loving and safe environment. Children in the childcare program are served breakfast, lunch, and two snacks each day.

Our **After-School** program is offered on days when Cahaba Heights Elementary and Liberty Park Elementary Schools are in session and includes transportation from both schools to GraceKids. Spiritual and social development are promoted in a relaxed and fun environment. Assistance with homework is provided as needed, and a snack is served to each child daily. Drop-in care is available for an additional fee during the school year on days when VHECH and VHELP are closed and GraceKids is open for childcare. This drop-in service is only available to children enrolled in the after- school program or have attended any of the GraceKids summer camp sessions.

School age children may also choose to participate in our **Amazing Grace Summer Camp** program. Enrollment for Summer Camp will take place in February.

**Available Slots in our program are filled on a first-come, first-served basis.** If you wish for your child to attend GraceKids, you must fill out a registration form and return it to the GraceKids office. Please:

- (1) Complete the registration information for your child.
