

### **Discussion Tract 3:**

- What does it mean to know someone?

- How is knowing someone a journey?

- Read the following quote from JI Packer: *"What were we made for? To know God. What aim should we have in life? To know God. What is the eternal life that Jesus gives? To know God. What is the best thing in life? To know God."*

- We were made to know God. How do we know this is true? (see *John 17:3*)

\*What is life like when we don't know Him or we forget about Him?

- When Packer suggests that knowing God should be our "aim in life" how does that strike you?

\*If this is our aim in life how would this affect our other efforts?

- How does Jesus give us knowing God as eternal life?
- Why is knowing God the best thing in life?

- How does knowing God put everything else in perspective? (consider the lyric from the Elias Dummer song, "I only see clearly when I can see you.")
