REST IN NATURE

NATURN

producer of wood
urns for ashes

Production

NATURN is a producer of solid wood urns. We offer high-quality products with modern designs at a fair price. Due to the structure of the wood, each urn has a unique pattern.

NATURN production process consists of 70% handcraft. We decorate urns with eco varnishes, oils, or paints with effects. All products are environmentally friendly and bio-soluble.

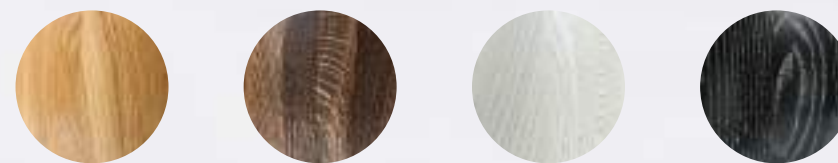

Product

Sphere form
