# DESIGN FURNITURE IN SCANDI STYLE

# ABOUT US

We are a family company founded in 1997, which has combined knowledge and experience in furniture production, industrial design, and lifestyle.

**WOWIN.UA** is designer furniture in the Scandinavian style, designed and manufactured in Ukraine for active people who seek to combine the traditions of Scandinavian design with their style, combining functionality, reliability, and convenience. Our products combine real life because Scandinavian design is a way of life, not just a design style.

We manufacture furniture for various industries such as B2B, Hospitality (HoReCa), and B2C. Since 2016, we have been producing high-quality furniture for Scandinavia and Europe, including countries such as Denmark, Finland, Germany, Estonia, Holland, Lithuania, Belgium, Austria, France, Moldova, and Poland. Our collection of upholstered furniture includes a range of products such as sofas, beds, armchairs, chairs, and poufs.

Our team of 200 employees, charged and inspired, is always ready to perform complex tasks. The production is located in the city of Stryi near Lviv, not far from the picturesque Carpathians.
