

## Discussion Tract 2:

- Is there an activity or work you engage in with someone else that you would not do if not for them?

- How does working alongside someone help you grow closer to them?

- Read *Ephesians 2:8-10*

- What does it mean to be “created in Christ Jesus”?
- What does verse 10 say we were saved to do on earth?
- What are some examples of the “good works” verse 10 might be talking about?

- Read *James 2:17*

- How does *Ephesians 2:10* help us understand what this means?

- What are some examples of the Lord’s work that He calls all Christians to?

- Is there a specific calling you feel in your life that God calls you to be His fellow-worker in?

- How does doing God’s Work help us to know Him?
