Dear partners!

We have created an excellent label ordering environment for your business, so you can forget about all problems and focus on more important aims.

FLG Europe is a part of FLEXOGROUP Family Company, which is **the main producer of self-adhesive labels in Ukraine.**

We have powerful capacity and large production area in Ukraine. Continuing development of our company, we have opened a new production field in Krakow, Poland.

FLG EUROPE has more than **25 years** of experience in label production!

We have a dozen production equipment for making self - adhesive materials. This advantage allows us to complete your order with the best quality in the shortest period of time!

Every year we produce over **75 millions m² of labels.**

We cooperate with such a big companies as:

- Nova Post,
- Coca Cola,
- Ukrposhta -national Ukrainian post company,
- Elfa Farm,
- Spar,
- Khortytsya and many others.

Since we are co-owners of the paper factory, we can provide you **with the highest quality by the lowest price, which will surprise you!**

We are happy to make a great offer **during one business day** for you. For this please provide the label size, paper type and amount of inks.

Choose the fast and flexibility!
