seeds
from
UKRAINE

The company "**VSMAK**" LLC is one of the largest manufacturers of the snack group in Western Ukraine.

Among the wide range of our products, everyone will find something to their taste - **sunflower seeds, pumpkin seeds, sunflower seed kernels with the addition of salt or flavoring mixtures.**

Our goal is to supply products according to the highest international quality standards and to satisfy all customer requirements. Production capacity is **300 tons per month.**

We are improving our technologies and production facilities. Our team is constantly working on improving the production process to meet the needs of customers.

The enterprise has implemented a food safety system in accordance with international standards **ISO 22000:2018** and adheres to the principles of HACCP. LLC "VSMAK" meets the requirements of **Kosher and Halal.** Our best confectionary sunflower seeds are well known for their exceptional quality and taste.

Our snacks are a boost of energy, immunity support and stress relief!!!

We are open to work with Private Label as well.

The products of "**VSMAK**" LLC are produced under the TM "Vyshukanyi Smak" and have a premium line - **TM "BC"**. We can also manufacture products for Private Label, ensuring excellent consistent quality and taste.
